Resolution #383

"Achieving 25 X 25"

Prepared from Concurrent Resolution, United States Congress, March 2006; Wisconsin Executive Order 192, April 2007

Whereas, in July 2006, Governor Jim Doyle made an historic announcement, the "Declaration of Energy Independence", which charts a new course for clean energy in Wisconsin; and

Whereas, a few months later, in April of 2007, Governor Doyle issued Executive Order 192 creating the Office of Energy Independence (OEI) to lead the state's effort to advance clean energy and bio-products; and

Whereas, this was the beginning of an effort to become the nation's leader in the drive toward energy independence, moving us away from our addiction on foreign oil; and

Whereas, the OEI is committed to supporting Wisconsin's goal of generating 25% of its electric power and transportation fuels from renewable resources by 2025; and

Whereas, by capturing 10% of the emerging bio-industry and renewable energy market by 2030, and leading the nation in groundbreaking research that will make clean energy more affordable and will create good paying Wisconsin jobs.

Now Therefore Be it Resolved, the City of Bayfield resolves to advance Wisconsin's vision for energy independence by generating 25 percent of the City of Bayfield's electricity and 25 percent of our transportation fuels from renewable resources by 2025.

Passed this 14th day of July, 2008.

(SEAL)

Larry J. MacDonald, Mayor

Attest: 
Billie L. Hoopman, Clerk
